Multinational Enterprises Shanghai Visit Invitation Letter

Dear Mr. Dimitry Vallen,

CITIC Group is making every effort to build service brands "Going abroad, CITIC is your answer. Coming to China, CITIC is your partner", aiming to serve as a bridge connecting the world, to promote and facilitate more multinational enterprises to explore new international cooperation opportunities with local governments and leading enterprises in China.

Shanghai is China's largest economic hub, functioning as the core hubs for international economy, finance, trade, shipping, sci-tech innovation of China, as well as the frontier of China's institutional opening-up and the pivotal base for multinational enterprises to deploy their Asia-Pacific operations. The Shanghai Municipal Government plans to host the "Multinational Enterprises Shanghai Visit" from September 18 to 19, and has entrusted CITIC Group to serve as co-organizer. CITIC Group will be responsible for inviting multinational enterprises, helping them precisely connect with Shanghai's government resources through the event and facilitating the efficient implementation of their business. This event targets tech enterprises, hidden champions and single-product manufacturing champions, focusing on multinational enterprises that are already operating in Shanghai with plans for capital increase and production expansion, and those seeking new investment footprints in Shanghai, to invest in China and jointly seize opportunities in Shanghai.

This event stands out for high-level matchmaking and tangible implementation mechanisms. The main leaders of Shanghai will attend the conference and hold face-to-face dialogues with global business leaders. Departments of the

government and locally based enterprises in Shanghai will sort out policy resources, local investment demands and industrial application scenarios to effectively facilitate the implementation of investment and cooperation. CITIC Group will also leverage its comprehensive strengths in full-spectrum financial licenses and extensive industrial coverage to provide multinational enterprises with investment and financing services, cooperation opportunities in supply chain, and achieve resources sharing. This event will feature a full-process closed-loop mechanism encompassing matchmaking sessions, business exchanges and site visits, and a cooperation and exchange forum, to ensure that multinational enterprises receive dedicated investment services, access to application scenarios and investment opportunities with sustainable profitability.

We sincerely invite you to attend the Multinational Enterprises Shanghai Visit in person, and welcome you to invite more multinational enterprises to Shanghai to explore local investment landscape and deliver tangible cooperation outcomes. The Shanghai Municipal Government and CITIC Group will conduct pre-event demand alignment and negotiation arrangements, and provide end-to-end business support throughout the process to ensure all business cooperation materialize smoothly.

Looking forward to meeting you in Shanghai this September.

Best regards,

Guohua Xi
